## Trainee in shipping business (m/f/d), specialisation: tramp shipping

Are you interested in international business and looking for a future-oriented and varied profession? Then you've come to the right place! We train apprentices in the field of tramp shipping.

### With us you will learn to:

- Plan and organise the transport of goods by sea in tramp market
- Chartering, i.e. bring ship and cargo together
- Manage a ship's call at the port
- Grow beyond yourself

### We offer you:

- Varied activities in an international environment
- Young, dynamic and open team
- Modern workplace
- Good chances of being taken on
- Opportunity to get to know our offices in Bremen, Portugal and the Netherlands

### What you need to bring with you:

- You have the general higher education entrance qualification (Abitur) or the intermediate school leaving certificate (Realschulabschluss) in your pocket.
- You are interested in freight transport on international sea routes
- You are communicative and enjoy working in a team
- You are already familiar with digital media
- Reliability and a sense of responsibility are not foreign to you

### Information on starting:

- Training period: 3 years (can be shortened to 2.5 years)
- Start: 01.08.2024 or 01.02.2025
- Home port: Buxtehude
- Business school at Berliner Tor, Hamburg
- 6 weeks per half-year in block form

We have caught your interest? Perfect!

Simply send us your application documents via the application form.

We look forward to hearing from you!
